FRONTIERS INTERNATIONAL

NEWARK — The Newark area club of Frontiers International endorsed Congressional legislation that would overturn Federal Communications Commission (FCC) decisions which benefit large business telephone users at the expense of residential customers.

In a resolution addressed to the 17 members of the New Jersey Congressional delegation, the club urged passage of the Consumer Communications Reform Act. The legislation would reaffirm a national policy, set by Congress in 1934, of promoting the widest availability of high quality communications service at the lowest cost to the entire public.

Nine New Jersey Congressmen already have sponsored the bill. In all, nearly 100 senators and representatives have put their names on the legislation.

The Frontiers Club resolution states that Congressional action is needed because recent FCC decisions have permitted new, unregulated companies to duplicate the facilities and services of the telephone companies, and to connect home and office telephone equipment directly to the telephone network.

These decisions result in "preempting the authority of state regulatory commissions and diverting revenues that would otherwise flow to the benefit of the local basic residential telephone service customers in the State of New Jersey," the resolution says. The principal beneficiaries of the FCC's actions, according to the Frontiers Club resolution, will be "certain business and larger telecommunications subscribers," while those adversely affected will be "residential and smaller...subscribers."

SAFETY FOR CHILDREN

Young people who want to help prevent fires during Fire Prevention Week (October 9-15) and all year long, can join the Junior Fire Marshal program sponsored by agents of The Hartford Insurance Group. Junior Fire Marshals take this safety pledge:

**YOUNGSTERS CAN TAKE
THE PLEDGE**-to help prevent fires.

I will never play with matches.

I will never start a fire.

I will tell my friends not to play with matches.

I will never go near a fire unless a grown-up is with me.

I will never use the stove unless my mother says I may and only when she is right there with me.

I will learn what to do in case of fire.

I will learn how to turn in a fire alarm.

I will never turn in a false alarm.

I will always be a good Junior Fire Marshal. I will try to make Mom and Dad, my teacher and our firemen proud of me.

Dana Lewis of Weequahic High School, Newark and Philadelphia 76er dubious draft choice of fame, is also with Larson Ford. Fordmen also have Monmouth College's Jack Hill, Ron Kornegay and Bill Terry. Bill Paterno (Notre Dame) said he will be playing for the League's defending Champs, Royal Manor, which will also have the services of Mitch Kupchak of the Wash. Bullets.

Something for Mosley and all the league leapers to shoot for is the top SBL rebounding average of 18.9 set by Eddie Mast in 1975.

The Shore League games are played Mon. thru Fri. nites at the new court built on the grounds of the "Headliner Nite Club" in Neptune, N.J. all games are played out-doors and the court has a seated capacity of 4000. Last years championship series drew approximately 3800 people. Royal Manor, the champs defeated a Jerry Lynch team featuring one of our areas top scorers Bob Verga who has lead the league in scoring the last five years. Among the many top players in the league last season were, Phil Sellers, Detroit, Moe Layton, NY Knicks and Charlie Criss of the Eastern League.

**WILL GET YOU SEEN, KNOWN,
BUSINESS ! ! !**

The growing need for adequate exposure of existing Black-owned enterprises in the New Jersey-New York area, both to Black and White consumers.

Bridging the "exposure gap" between Black-owned enterprises and big business.

Dealing with one of the severe causes of limited business success among many Black-owned enterprises located in New Jersey & New York.

Creating a unique medium to serve the inner and outer communities through an increasing consumer awareness of broad range of products and services by Black-owned businesses.

Opportunities for widening the market ability of goods and services offered by Black-owned businesses, at a level of exposure unavailable anywhere else at comparable costs.

Providing a continuing service annually to the minority business community; increasing awareness of the values of minority contributions in products and services for the economic growth of our cities.

A meaningful step toward the reality of economic development among minorities.

A greater knowledge, locally and nationally, of the important role which Blacks and other minorities play in the life of our communities, our city and the country as a whole.
